Santiago de Chile is a big, crowded, cosmopolitan city where you never get bored. There are so many places to visit that it is impossible to go to all of them in one day.

If your plans are going to museums, Quinta Normal district is the best place. There you can find museums of every kind. Do you want to learn about natural science first? The Museum of Natural History is the best place! Next, visit the outdoor Railway Museum, then become a scientist at the Museum of Science and Technology. If you like art, the best options are Artequin and the Museum of Contemporary Art. How do you get there? Take the subway and get off at Quinta Normal station. Would you like to have a panoramic view of the city? Get in the colored cable cars and see the different buildings, parks, churches and hills that surround the capital city of Chile.

Santiago is a city full of contrasts. On the one hand you can enjoy the impressive gothic churches and colonial buildings that take tourists to past times. On the other hand, let yourself be impressed by the highest tower and the only skyscraper in South America, Costanera Center, which offers more than 200 shops, restaurants, movie theaters and an impressive 360-degree view of the city from the 62nd floor, 300 meters up. How do you get there? You can take the subway and get off at Tobalaba station. A lot of buses stop there, but if you want to get some exercise, rent a bike. There are some public bikes for rent and, scooters, as well. Just get the app and you're ready! If you are going to go around Santiago, you have a lot of options.
